

New Social Contract for Recovery and Resilience Union Wins March 2020

TUC Ghana

- Social dialogue / health and safety – the Executive Committee of the TUC **was invited for talks with the president** about the role of stakeholders in mitigating the spread and impact of Covid-19.
- The National Tripartite Committee issued a **ten-point safety guide** for the fight against the Coronavirus at all workplaces.
- Social protection / training – the TUC developed and submitted a concept note on a proposed National Unemployment Insurance scheme to the Ministry of Finance ahead of the presentation of the 2020 Mid-Year Budget. In the budget, the government announced a **National Unemployment Insurance Scheme** intended to provide temporary income support to workers that are laid off and also facilitate their retraining.
